T25-06 – 2025 ROAD IMPROVEMENT PROGRAM

Date: March 23, 2026

NOTICE TO RESIDENTS/PROPERTY OWNERS

2025 ROAD IMPROVEMENT PROGRAM TOWN OF NEW TECUMSETH PROJECT No. T25-06

Please be advised that Lisbon Paving, on behalf of the Town of New Tecumseth, will be resuming construction for the resurfacing of **Queen Street, between Nolan Road and 177 Queen Street South (Tottenham Water Tower).**

Scope of Work

The work included in this project consists of:

- Removal of existing asphalt surface
- Repaving of the road surface
- Installation of new pavement markings, including parking stalls

Construction Schedule

Construction operations are expected to begin as early as **Spring 2026**, with work anticipated to be completed, weather permitting, by **May 30, 2026**.

Traffic and Access

During construction:

- One lane of traffic and safe pedestrian access will be maintained during working hours.
- Two lanes of traffic and safe pedestrian access will be restored during non-working hours.
- Driveway disruptions may occur. The Contractor will work with you to minimize impacts and coordinate alternative parking arrangements when necessary.

Resident Considerations

Some delays and inconveniences are expected throughout the construction period. Your patience and cooperation are greatly appreciated. For everyone's safety, please follow all posted construction signage and use caution when through the area for your safety and the safety of workers.

Questions or Concerns

Should you have any questions about this project, please contact:

Justin Wright

Project Manager – Transportation

Town of New Tecumseth, Public Works Department

705 435 3900 ext. 4

If you are not the property owner, please forward this notice accordingly.
Your cooperation is greatly appreciated.

Respectfully,

A handwritten signature in black ink that reads "Justin Wright". The signature is written in a cursive, flowing style.
